# Polynesian Hospitality and Authenticity

## Location

Poised on Motu Tevairoa, only a ten-minute boat ride from the airport and fifteen minutes across the lagoon from the village of Vaitape, the Bora Bora Pearl Beach Resort & Spa combines heavenly location and proximity to the mainland.

The resort boasts authentic Polynesian style and architecture and certainly offers some of the most traditionally designed rooms and villas in Bora Bora.

While overwater bungalows are Bora Bora's iconic accommodation type, the resort also features spacious Garden and Beach Villas with Pool.

The 108 bungalows and villas are nestled in a beautiful tropical garden, on the beach and of course above the turquoise lagoon.

## Our Philosophy

It is all about the authentic Polynesian experience and hospitality.

This 2 concepts are very important to us and guided us during the renovation project of the property.

The resort is set on beautiful grounds where tropical flowers and old trees abound. With no neighbouring resorts, guests enjoy ultimate privacy and tranquility.

At the Bora Bora Pearl Beach Resort & Spa, we care about our environment. The To'a Nui Coral Garden was created in an effort to help restore and rejuvenate broken corals.

Coral colonies in distress are identified and placed in a underwater nursery installation to recover. This technique called Biorock helps to activate the recalcifying process of the damaged corals.

Once these are mature enough, biologists will reintroduce them into their natural habitat, hence repopulating reefs and coral gardens.

Snorkelers can enjoy To'a Nui and the marine biologists' work with breathtaking views of majestic Mount Otemanu

Our team on property is mostly from the islands, sharing their passion and love for their islands to our guests.

**Maeva and Welcome  
to our tropical paradise!**

## About Bora Bora

Just a fifty-minute flight from the capital island of Tahiti, Bora Bora offers the picture perfect vision of paradise.

With a lagoon famed to be one of the most beautiful ones on the planet, and Mount Otemanu majestically rising towards the sky, romantics and artists have laid claim to this island of overpowering beauty.

The pearl string like 'motu' islets encircle the dazzling lagoon, home to myriads of colorful tropical fish and rays.

Bora Bora is love at first sight, and once seen is never forgotten.

From the moment you land on Motu Mute where the airport is located, you will be greeted by the scent of 'tiare tahiti' or plumeria flower leis. It is a tradition in the Islands of Tahiti : they welcome you with flowers !

Did you know that Bora Bora's original name was Pora Pora? Pora Pora, meaning "first born," came from legends describing this as the first island to rise when supreme god Taaroa, fished it out of the waters after the mythical creation of Havai'i, now known as Raiatea. Although the first letter "B" does not exist in the Tahitian language, when Captain Cook first heard the name he mistook the softened sound of the Tahitian "P" for "B" and called the island Bola Bola.

## Reaching Us

The Bora Bora Pearl Beach Resort & Spa is located on a 'motu' islet, a 10-minute boat ride from Bora Bora's Motu Mute Airport (transfers operated by the resort's boat shuttles) and a 5-minute boat ride from the resort's base on the main island of Bora Bora (free boat transfers during the day, small fee applies end of day and evening).

From Tahiti, there are daily flights to the island of Bora Bora (BOB) with the domestic carrier Air Tahiti (check out flight schedule on [www.airtahiti.pf](http://www.airtahiti.pf)).

Upon arrival at the Bora Bora Airport, one of our staff members will greet you and escort you to the resort's private shuttle boat.
