ZIGHY BAY

## MARHABA LIVE THE STORIES YOU'D LOVE TO TELL

Discover Musandam on board a luxurious traditional Omani dhow, and cruise the iconic routes of ancient Arabian mariners, who sailed through the Gulf of Oman and Strait of Hormuz seeking trade and fortune. Witness the beauty of the Musandam fjords, quaint fishing villages and crystal clear azure waters of one of the world's most famous dive sites, set against the dramatic and rugged backdrop of the Al Hajar Mountains.

**DHAHAB WAS DESIGNED AND HANDCRAFTED IN 2013** to reflect Omani sailing dhows famously used in the region centuries ago. Dhahab means ‘gold’ in Arabic, and the vessel is indeed reminiscent of the golden age of sailing, yet is fitted out with all the modern comforts. From bow to stern, this beautifully carved cruiser is furnished in a relaxed artisan style, specifically handmade to complement the villa décor at Six Senses Zighy Bay.

COMFORTABLY ACCOMMODATING UP TO SIX GUESTS, Dhahab offers a well-appointed spacious king bed cabin and two twin bed cabins on the lower-ground deck. You will indeed feel like royalty in the king bed cabin, which is furnished with a large bathroom equipped with an oval bathtub, moonlight windows, spacious shower room, twin vanities, writing desk, and a lounging sofa in a reading corner that can be set-up for an additional guest.

HUG THE COVES AND ENJOY THE REFUGE OF SILENCE along the glistening waters of Haffa, Sanat, Lima, Khor Kabahl and Khor Habaleen. High above ground, the Al Hajar Mountain Range, one of the few places on the planet where earth's mantle has broken through, showcases green ophiolites, which are part of the earth's crust, visible from the surface. Deep below the waters, the Gulf of Oman is one of the most famous dive sites in the world, a haven for sea creatures and thousands of colorful corals.

WHETHER RELAXING ON THE UPPER DECKS, enjoying a movie in the private lounge, sunbathing, swimming, kayaking or snorkeling, the crew will ensure a seamless experience throughout your voyage. Bespoke diving experiences for all levels are available upon request, and wellness massages may be booked when required from the resort to soothe weary muscles after a day of adventure. *For diving and wellness massages, please refer to the Terms and Conditions.*

## ITINERARY

### DAY 1

Your odyssey begins as the early dew greets the morning and after a refreshing breakfast at the Spice Market. From Zighy Marina, Dhahab will cruise to Haffa and Sanat Bays. Listen to the legends of local folklore from the experienced crew as you take in the white limestone rock and discover the myth of the dinosaur footprint. Leaving Sanat, you'll cruise along Lima Bay to anchor in Khor Kabahl for lunch where you'll spend the afternoon swimming, kayaking, snorkeling, fishing or taking a leisurely speedboat tour along the majestic fjords.

After a sumptuous dinner on deck prepared by your private chef, there's just time for a little stargazing before your overnight stay.

### DAY 2

Wake up to sun salutations during a morning yoga session on the upper deck. Book a bespoke dive experience to explore the colorful corals and communicate with the various sea creatures at one of the world's most upcoming dive sites for both beginners and advanced divers. And after all that activity, why not request a wellness massage to ease your weary muscles? An experienced Six Senses Spa Zighy Bay therapist will be escorted from the resort to you via speedboat. You'll also have plenty of leisure time to enjoy swimming or fishing. *For Yoga, wellness massages and diving, please refer to the Terms and Conditions.*

### DAY 3

After a delicious breakfast, you'll leave for Khor Habaleen bay, passing quaint fishing villages along the way and enjoying the fresh breeze of Musandam to keep you cool as you sunbathe on the upper decks. Learn about local culinary traditions with a cookery class, and relax over a gourmet lunch before cruising back to Zighy Marina for Six Senses Zighy Bay.
